Veterans to be Saluted by Grayling State Bank

All Veterans will be honored by a ceremony next Monday, November 12th, at the Grayling State Bank featuring the color guard and firing squad from the 1071st of the Michigan National Guard at Camp Grayling under the direction of First Sergeant Harold Golnick, others taking part in the ceremonies will be members of the Grayling Post 106 of the American Legion and members of AMVETS No. 14 of Higgins Lake.

The ceremony will also feature American Flags given by the United States to families in memory of those who served their country. Any area family who would like their flag included in this memorial service should call the Grayling State Bank, 348-7631. Flags will be returned after the ceremony with a certificate of acknowledgement from the bank, Jack Alef, president of the bank stated.

The ceremony is planned for 10:30 a.m. and will end at 11 a.m. the time the Armistice was signed. Last year more than 200 persons gathered on the bank lawn for the ceremony.

Parent-Teacher Conferences Set for Wednesday, Thursday

Parent-Teacher conferences for Crawford AuSable schools will be held this Wednesday and Thursday, November 7-8. Conferences will be held Wednesday and Thursday from 1:30 to 5:30 p.m. for the Grayling and Frederic elementary schools. The Grayling Middle School conferences will be Wednesday 6:30 to 8:30 p.m. and Thursday 1:30 to 4:30 p.m. The Grayling High School Open House will be 6:30 to 9 p.m. Thursday.

Early dismissal on both days will begin at 1 p.m. at the elementary schools, 1:10 at the middle school, and about 1:20 at the high school.

Trailer Taken from Cabin Property

William Branton, of Redford, arrived in Grayling on vacation to find his trailer had been hooked up and pulled away. The incident was reported on November 3 around 10 a.m. Anyone who may have seen someone taking the white Coachman travel trailer with brown striping from Branton's cabin property, on M-72 East about three-quarters of a mile east of Stephan Bridge Rd., within the last month can call the anonymous police tip line at 348-6341 ext. 3000.

Injuries Reported When Pick-Up Flips

Three persons were injured when a pick-up truck pulling a trailer lost control and flipped over while traveling on I-75 near the 252 mile marker around 10:45 a.m. Sunday, November 4. James VanNuck, 50, Daniel VanNuck, Sr. 29, and Daniel VanNuck, Jr., 12 - all residents of Grayling - were transported to Mercy Hospital for treatment.

St. Mary's Xmas Bazaar Nov. 16

The St. Mary's Altar Society of Grayling is having their annual Christmas Bazaar on Friday, Nov. 16 from 10:00 to 5:00 with luncheon being served from 11:00 to 2:00.

We will also be open on Saturday from 10:00 to 2:00. This will be held at the Parish Family Center just behind St. Mary's Catholic Church.

This is an exciting opportunity to meet your friends for lunch and do some early Christmas shopping.

We will be serving homemade soup, make your own salad and dessert again this year for only \$3.00.

Distribute Cheese Nov. 20th

Just cheese to be distributed November 20, from 10 a.m. to 3 p.m. at the Eagles.

To receive cheese a person must present a verification card or verification of income. Those presenting verification of income will receive certification cards and cheese at the distribution site. If the income falls within federally established poverty guidelines.

Please do not call the Eagles for information. Call 348-5852 for information.

50's & 60's Benefit Dance

Take a step - or two or three - back to the wild 50's and 60's Saturday, November 10, as a live band kicks out the jams in a benefit dance for the Winter Sports Carnival. The High Society Wise Guys featuring local talent Thane and Mike Doremire and Jackie and Dan Beckwith will play from 9 p.m. to 1 a.m. at the K of C Hall. Cash prizes for the best dressed 50's and 60's dancer will be awarded. The dance also offers a cash bar and food. Tickets are \$4 a person and can be obtained from Cornell Real Estate, A Cut Above Beauty Shop, or at the door.

Range Firing Conducted

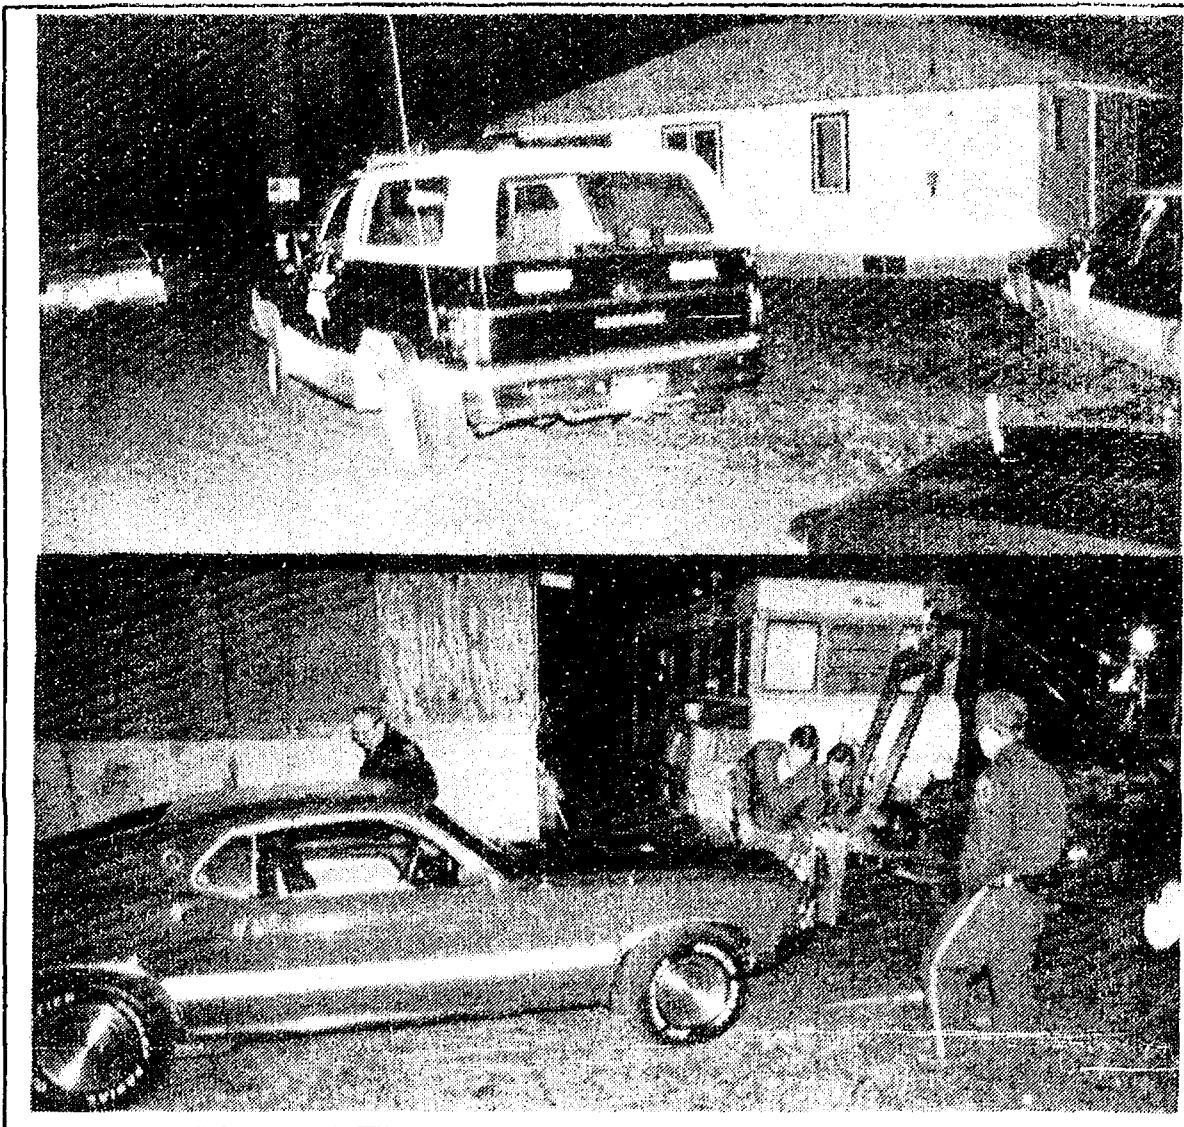

Range firing will be conducted at Camp Grayling during the period 7 Nov 84 thru 14 Nov 84.

Firing will be in the following areas on the dates and times as indicated.

The range 40 complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 a.m. (Daily) 7 Nov 84 and cease at 5:00 p.m. (Daily) 14 Nov 84.

The range will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

Early Morning Surprise Worked for Drug Bust

By Jon Thompson

It's 4:05 a.m. in a court room at the county building. The early morning jokes have stopped. The talk turns serious as the bullet-proof vests are snapped on.

Twenty members of the Crawford County Sheriff Department - every available road and corrections officer - go over a list of 33 suspects in a pre-dawn drug bust pointing out the danger they could encounter while serving the warrants and arresting the suspects.

The command officers choose the order they'll go after the suspects, placing the ones they feel most dangerous high on the list. They also plan which suspects might require all road officers on hand during the arrest.

Eight months of undercover work by a Crawford County Sheriff agent with help from Michigan State Police and federal drug enforcement undercover agents now culminates in the next few hours.

At 4 a.m. the Michigan State Police started their operation in Roscommon County picking up a suspect they believe is the leading supplier of LSD in northern Michigan.

At 5:05 a.m. four patrol cars, three unmarked cars, a blazer, and tow truck head for the first two suspects located at one apartment building.

The pair are arrested without trouble but the car the sheriff department wanted to confiscate has been sold a few days before. Any vehicles used in transporting illegal drugs becomes the property of the sheriff department and can be sold to help finance the drug enforcement program.

One patrol car with two officers begins the duty of transporting suspects to the county jail while the rest split into two groups to arrest more suspects in Grayling Twp. and the city of Grayling. The first seven suspects are arrested without problems. Everyone appeared to be sleeping in their residence when the police knocked on their doors. When they came to the door, sheriff deputies read the warrants and placed them under arrest.

Robert Bovee, juvenile officer for Crawford County, accompanied the sheriff department on the arrests where children were at the residence with a single parent. The parent told Bovee where the children could be taken for care.

After the first seven were arrested, the sheriff department regrouped at the county building and headed for the southern part of the county.

By the end of the morning 26 were arrested in Crawford, Roscommon, Alpena, and Kalkaska counties and seven were confiscated. By the end of the week, 23 suspects including one juvenile were arrested. Those charged include:

Michelle Mowery, 24, selling a controlled substance without a license - 6 counts, maintaining a place or vehicle for the use or sale of a controlled substance - 5 counts, delivery of marijuana - 2 counts, delivery of cocaine - 3 counts, delivery of LSD - 1 count.

Gerald Medina, 32, delivery of hashish - 3 counts, delivery of marijuana - 4 counts, selling without a license - 4 counts, maintaining a place - 3 counts.

Sandra Nowlin, 22, selling without a license - 2 counts, maintaining a place - 2 counts, delivery of marijuana - 3 counts, conspiring to deliver marijuana - 4 counts, conspiring to deliver LSD - 1 count.

William McMurray, 20, selling - 4 counts, delivery LSD - 4 counts, conspiring to deliver LSD - 1 count, maintaining a place - 1 count. Kelly Bartok, 26, delivery marijuana - 3 counts, selling - 3 counts, maintaining place - 3 counts.

Patrick Millard, 29, delivery marijuana - 3 counts, selling - 3 counts, maintaining place - 3 counts. David Bowers, 29, delivery marijuana - 4 counts, selling 3 counts, maintaining place - 3 counts. Robert Kleven, 41, delivery LSD - 3 counts, possession of LSD - 1 count, possession cocaine - 1 count, maintaining a place - 3 counts.

Gerald Cichy, 26, selling - 3 counts, delivery LSD - 2 counts, delivery marijuana - 1 count. David Cook, 22, 1 count each of selling, maintaining a place, delivery LSD, and conspiring to deliver LSD.

Virginia Helsel, 26, delivery marijuana - 2 counts, selling - 2 counts. Acie Brown, 31, 1 count each of selling a handgun without a license, sale of pistol without compliance, pistol safety inspection violation, and purchasing a pistol without a license.

Wayne Giegler, 31, 1 count of delivery of cocaine and conspiring to deliver. David Giegler, 29, 1 count each of delivery of cocaine and maintaining a place. Mary Hendrick, 22, 1 count each of delivery of marijuana and maintaining a place. Steve Guldner, 22, conspiring to deliver marijuana and maintaining a place. Rande Johnson, 24, delivery of marijuana and selling.

Mark Stephenson, 20, conspiring to deliver marijuana and maintaining a place. Paul Mathy, 17, delivery of marijuana. Steve Priebe, 18, delivery of LSD and selling. Marty Welch, 17, delivery of marijuana and selling. Tawny Cook, 23, delivery of LSD and selling. Garrett Murray, 18, conspiring to deliver marijuana. Marvin Forbes, 19, delivery marijuana. Mike Breitfeld, 17, conspiring to defraud. Dennis Bofsyil, 20, selling under false pretenses. Shirley Brown, 30, selling and selling under false pretenses. The charges on the juvenile were not released.

The biggest single buy in the undercover operation was \$880 for 600 hits of LSD. The street value of a hit of LSD runs from \$1 to \$8.

At one time, the undercover operation had 2000 hits of LSD ordered through dealers and an ounce of cocaine. An ounce of cocaine costs about \$2300. The more you buy, the cheaper it gets for most drugs, the sheriff department said.

Marijuana was selling for \$35 to \$50 for a half ounce - about two inches of marijuana rolled the length of a sandwich bag.

A sheriff officer who asked to be unidentified said, "One good question is where are the average kids on the streets getting the money to pay for this stuff? Is this the reason for so many breaking and enterings?"

The sheriff department was pleased with the results of the pre-dawn arrests.

"We know we didn't get all of the dealers in the county but we think we got the biggest supplier of cocaine and LSD in the county," one officer said.

The officer said LSD is part of a group of acids that rank just before heroine as the most dangerous drugs.

"LSD isn't called acid on the street anymore because acid has such a bad name. The kids think they're getting mescaline but it's really LSD."

Among the 28 suspects, eleven had no previous criminal record, nine had past criminal convictions, five had previous criminal charges with the outcome of those charges (convicted or dismissed) unknown, and public records were not available on the juvenile and two other suspects. Public records on 20 of the suspects showed ten were employed (three part-time or seasonal), three were unemployed, three were receiving Aid for Dependent Children, two were students, one was receiving Social Security benefits, and one was disabled.

Hatfield, Wieland, Kitchen Ruddy, Joyce Win Election

In the county race drawing the most votes, challenger Harold Hatfield (R) defeated incumbent Joe White (D) 2838 to 2112 for the sheriff position. Incumbent Elizabeth Wieland (D) defeated challenger James Kolka (R) 2664 to 2132 for the county clerk-register of deeds position.

Incumbent Jeannette Kitchen (R) defeated challenger Junior Palmer (D) 369 to 249 for county commissioner in district 1. William Ruddy (R) defeated write-in candidate Don Welser 417 to 211 for county commissioner district 5. Garland Joyce (R) defeated write-in candidate Mahlon Riker 539 to 95 for county commissioner district 7.

In Grayling Township, Arnold Stancil (R) won the supervisor position 1149 over Larry Grant (D) 907. Write-in candidate Joe Elekonich had 90 votes. Fred Blaauw with 1099 votes and Robert McLachlan with 1063 won Grayling Township trustee positions over Blanche Miller 896 and

Howard Guyette, Sr. 525.

In Beaver Creek Township, Florence Nelson (D) won 292 over JoAnn Cooper (R) 133 for the clerk position. Terry McGregor (D) defeated write-in candidate Jim Small 234 to 166. Kathleen Mobarak (R) with 236 votes and Richard William Johnson (D) with 217 votes won trustee positions over Edna Hammermeister (D) with 183 votes.

In Lovells Township, Lyle Jewell (R) defeated write-in candidate George Wingeier 164 to 88 for the supervisor position. Dolores Haberland (R) defeated write-in candidate Bernice Baughn 139 to 102.

In the circuit court race, Alton Davis carried Crawford County 2962 to 1136 for James Cotant. Unofficial results showed Davis the winner in the three-county race.

All the totals shown here are not official and are subject to board of canvassers review.

Hanson Hills, Senior Citizen Millages Approved by Voters

A two-year millage for the operation of Hanson Hills passed 2690 to 2076 and the Commission on Aging millage passed 3361 to 1375.

Proposals to abolish the annual township meetings in both Grayling and Maple Forest townships were defeated. Grayling Town-

ship voters voted 621 yes to 1338 no on the proposal to abolish the annual meeting. Maple Forest voters cast 55 yes ballots and 102 no ballots on abolishing the annual meeting.

A Maple Forest millage proposal to begin blacktopping roads was defeated 98 to 67.

State Police Lab Receives National Accreditation

The Michigan State Police Forensic Science Laboratory in Grayling received formal accreditation from the American Society of Crime Laboratory Directors at a special ceremony at 10 a.m. Thursday, Nov. 1, according to Gerald L. Hough, department director.

Labs at Northville, Bridgeport, Grand Rapids, and

Grayling underwent a comprehensive and rigorous series of inspections which demonstrated that the management, operations, personnel, procedures and instruments, physical plant and security, and personnel safety procedures meet an extensive list of standards. All four labs not only met, but exceeded these national standards. Only 26 out of 240 other labs in the country

have been so accredited.

The inspection committee consisted of Chairman Ray Herd, Director of the Northwest Louisiana Criminalistics Laboratory, Dr. Henry C. Lee, Chief Criminologist, Connecticut State Bureau of Identification, State Police Dept. Crime Lab, and Douglas M. Lucas, Director of the Center of Forensic Science, Toronto, Ontario.

Aim at GHS, League Records

Viking Girls Clinch Title

By Jon Thompson

They did it in style. Grayling blasted St. Ignace 56-31 Tuesday night, Nov. 6th, to capture its first Michigan Huron Shores basketball championship.

The Vikings blew the Saints right out the gym with a 20-0 first quarter and shut the door on them in the third quarter when Grayling allowed only two points.

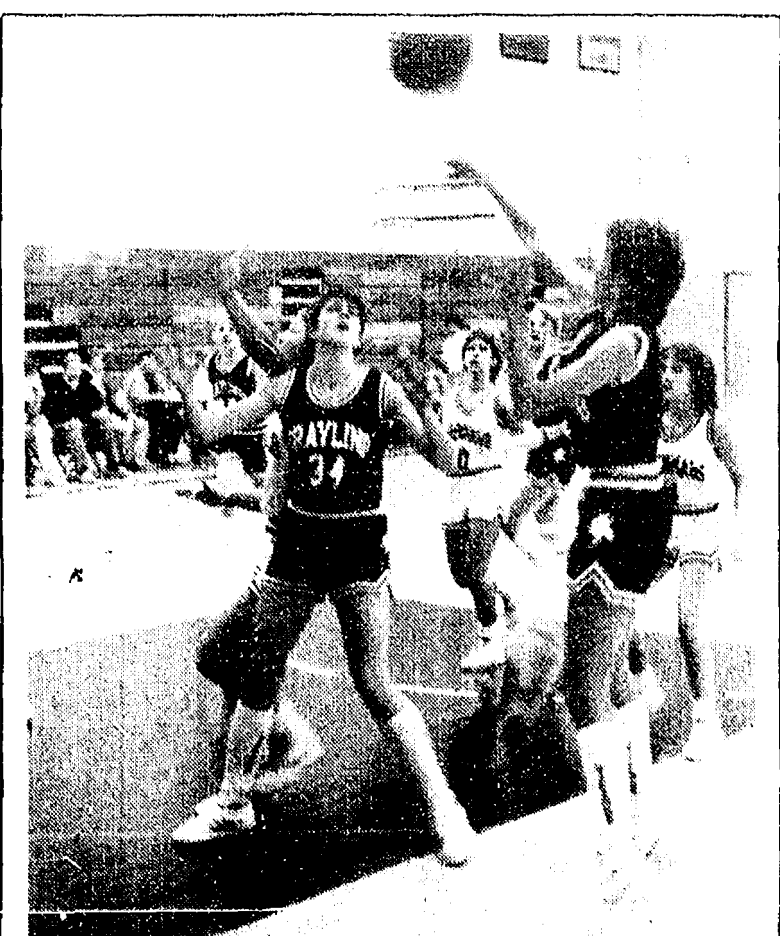

Grayling dominated the entire court running its league record to a perfect 12-0 and its overall mark to 16-1. The Vikings already have set the GHS mark for most wins in a season by a girls basketball team and have a chance to win the most games in one season by any Grayling team - boys or girls.

Head coach Tom Mills said he was proud of every player on the team and pointed to the district tournament as the team's next goal.

The victory celebration after Grayling High School's first outright MHSC basketball title was subdued and short.

"The girls were a little disappointed more people didn't show up for the game," Mills said.

A little more than 100 people watched the title-clinching game - filling perhaps one-third of one wall of bleachers at Grayling High School. Next Tuesday, Nov. 13th, starting at 6:30 p.m. with junior varsity and about 7:45 with varsity, Grayling entertains Houghton Lake for their last home game of the year. The home game is also Parent's Night. It's possible this could be Grayling's winningest team ever and only a few people have watched them. Grayling is currently ranked in the top ten in the state in class C and their coach and fans have to be wondering how they would play with a large crowd backing them.

LEAGUE CHAMPS - Michelle Moore shoots while Kris Laudenslager fights for position. (Jon Thompson Photo)

Laudenslager led the pulverizing of the Saints with 16 points. Jones hit for 10, Shawn Denton 9, Michelle Moore 6, Dawn Phelps 3, Kim Springer 3, and Heidi Derenzy 2.

Grayling survived two tough road games against long time rivals Gaylord and Roscommon last week.

Grayling, down by 7 in the final quarter, came back to beat Gaylord 45-38, and they overcame Roscommon 58-53 in overtime.

Against Gaylord, Laudenslager connected for 11, Barber 10, Jones 7, Phelps 5, Derenzy 4, Moore 4, Denton 2, and Springer 2.

Against Roscommon, Moore led the team with 16, Laudenslager had 15, Jones 12, Barber 8, Derenzy 2, Denton 2, Springer 2, and Phelps 1.

The J.V. team won their 7th out of 8 beating St. Ignace 40-18. Dena Thayer, Jennifer Ojala, and Kathy Kraus each had 6.

From Our Corner...

Once again this year through the efforts of Jack Alef, president of the Grayling State Bank, memorial ceremonies will be held on the Bank's lawn Monday, November 12th from 10:30 til 11:00 a.m. and will give all of us a chance to pause for a moment to pay our respect to those who paid the supreme sacrifice in keeping our country's freedom...Veteran's Day is Sunday, November 11th but, the ceremonies will be held on Monday the 12th, a recognized holiday for some...taking part in the ceremonies will be members of the 1071st of the Michigan National Guard at Camp Grayling, members of the American Legion Post 106 and members of AMVETS No. 14 of Higgins Lake...

Another white tail season is drawing near (November 15th to be exact will also bring a little extra joy into the ol' fella's life...as of now, our Buckeye family is planning on coming north for Thanksgiving, and I'm sure that is one of the reasons John wants to come up...he has hunted with friends from Traverse City for a number of years, and their hunting camp has been out west of here on the Crawford-Kalkaska county line, which will be handy for him here...we always looked forward to the first weekend of hunting season anyway because it gave us a chance to take care of T.J. and Stefany, and also their black pony...once old man winter sets in it is hard telling when we will be seeing them...I'm not too gung-ho at driving a long ways at a time, and in the winter it's worse...

We were looking through the archives Sunday afternoon and ran into the column we had written last year at this time and it concerned us getting into our den someday...we have been asked a few times lately if we ever made it...our answer is not the affirmative...

Let us reiterate last year's column...
 For those interested, we got one foot in the door of our den this past weekend...not too much was accomplished but, it was a start...now if we can get our bride to throw the stuff away that she moved from one side of the room to the other, maybe by Christmas we will have a little den by ourself...we will take the radio and she will be able to watch all the golf on TV she wants...that is if she will let us watch the halftime shows, of the football games, especially when the Dallas Cowboys are playing, they have such lovely bands in Texas...that dear readers was from a year ago...we are no closer to getting our den now than we were then, in fact I took a peek in there this morning I think more stuff (junk) has been added...and there hasn't been one ounce of effort since Dane and Amber were home in June...I guess now I have to wait until after Thanksgiving when John, Toni, T.J., Stefany and Charcoal have been here...there is no end to the excuses I hear...for some reason, we are beginning to get a defeatist attitude of my ever having a den...

This about takes care of this week's efforts so we will bid T.J., Stefany and Amber goodnight, and to all of our readers, have a nice weekend we are in the nippy weather stage of the year...also, plan to attend the Memorial Day ceremonies next Monday...you're invited...

WAR ON THE UNBORN 15,000,000
since abortion was legalized in 1973

+++++

* Statistics from 1982 World Book

Abortion is the willful termination of human life before birth. Over a dozen times more human beings have been killed by legalized abortion since 1973 in America, than in all our past wars combined. Liberal Humanists may oppose the title, American War Casualties to include abortion. But, are they not casualties? Webster says of casualties, 3) "a person or thing injured, lost, or destroyed." Is this not a Humanist war? Webster defines war as 3) "a state of hostility, conflict, or antagonism 4) a struggle between opposing forces or for a particular end."

The issue is more than opinion or semantics. It is a matter of destroyed human life involving tons of human flesh and millions of human bones. It is plainly, a human blood and guts issue. If nothing human about an aborted baby appeals to you, then please consider it a living soul created in the image of God. There must be something about the death of 15 million human beings which will end apathy in America!

Grayling Lioness Club

A change in our meeting this month, we will meet this Nov. 7, however our meetings will be back on schedule the second Wednesday of the month, after November.

We want to extend a hearty welcome to our two new members who joined at our last meeting, Lioness Debra Fedewa and Nancy Cinciala. We are pleased to welcome these ladies to our club.

Our club pins are selling fast so try and get one soon before they are gone.

Lioness Carolyn Rakoczy is in the hospital, let us hope to see her back with us soon.

Welcome home for the blind trip, will be Nov. 11th. At our meeting we will find out the time and place to meet. Remember girls to sign up to work on the rest area at 4 mile road, 14th to 17th, we will be on our own, as the men will be hunting. Fruit cakes will be ready soon, please try and get some orders.

Correction

Joyce Tinker, of Grayling, had charges of delivery and manufacture of a controlled substance dropped on a motion of the prosecuting attorney after her co-defendant, Claude Shaw, plead guilty to unlawful possession of marijuana. The Avalanche erred in stating in its November 1st issue that Tinker plead guilty to the charge of unlawful possession of marijuana and apologizes for any inconvenience caused by the mistake.

Your Week Ahead Horoscope

Forecast Period: 11/11-11/17/84

ARIES
Mar. 21-Apr. 19

Money matters may be causing you undue concern. A trust fund could be the answer you are looking for.

TAURUS
Apr. 20-May 20

Expect some heavy obligations to be tossed your way. Accept them only if you feel you can handle them.

GEMINI
May 21-June 20

Watch what you eat. Poor digestion could create extreme distress. Added job responsibility adds further stress.

CANCER
June 21-July 22

Increased responsibility related to children seems burdensome. Channel their energies into creative work. Keep them busy.

LEO
July 23-Aug. 22

Promote harmony on the domestic front. When things at home are stabilized, career matters can be explored.

VIRGO
Aug. 23-Sept. 22

Negative thought patterns bring on depression. Keep thoughts and words on a positive level. Let the sun shine in.

LIBRA
Sept. 23-Oct. 22

Financial responsibility increases and you are forced to become more prudent and efficient in handling your resources.

SCORPIO
Oct. 23-Nov. 21

Learn to respect the needs and rights of others. An increasing workload tends to make you aware of your vulnerability.

SAGITTARIUS
Nov. 22-Dec. 21

An interest in psychology or medicine puts you in touch with hospitals, universities, maybe even a prison cell.

CAPRICORN
Dec. 22-Jan. 19

You may be called on to act as counselor or adviser to others. You gain a deeper understanding of human nature.

AQUARIUS
Jan. 20-Feb. 18

Ambition for position and status reaches a new high. Be careful you don't stub your toe and fall flat.

PISCES
Feb. 19-Mar. 20

Take advantage of a study program that could lead to a career advancement and higher income.

Michigan officials well paid

by Richard Millman

ALTHOUGH IT'S lost right now in all the election attention, a process is underway in Michigan which should receive a lot more attention and commentary — setting of pay levels for the state's elected officials.

Under the system we use in Michigan, a citizen group called the State Officers Compensation Commission meets every two years, reviews elected state officials' pay levels and makes recommendations.

These findings go to the state legislature in December of each even-numbered year, and the lawmakers have until February 1 of the following year to take action. The legislature, however, has the option only of rejecting the commission's proposals; the lawmakers cannot amend them, nor do they have to vote to accept them. Without negative action in the legislature, the pay recommendations take effect.

Usually, the SOCC recommends upward revision, somewhere along the line. So far, the legislature has never rejected the commission's program.

THIS WHOLE IDEA is questionable in the first place, but it was approved by the voters and added to the state constitution several years ago. What the system does, of course, is to remove the curse of decision from the shoulders of the governor and the lawmakers, and transfer it to the unelected individuals on the SOCC.

Thus it insulates the pay-making process from the voters. Maybe the voters ought to take a look at the whole idea one of these days.

At any rate, the SOCC is reviewing a study of pay levels for elected officials in eight other large and comparable states, and Michigan ranks quite well by comparison.

Michigan's governor, for example, is now paid \$78,000 a year, which is a bit above the average of \$73,150 paid by the other eight states studied — New York, California, Pennsylvania, Illinois, Ohio, Minnesota, Wisconsin and Indiana.

Highest governor pay of that group is in New York at \$100,000, while Indiana is the lowest at \$48,000.

MICHIGAN state senators and representatives, however, are at the top of the list. Michigan lawmakers are paid \$33,200 a year, which ranks them No. 1 among these nine states — 27.7 percent above the average of \$24,000.

New York lawmakers rank second at \$32,960 a year, while Indiana legislators are at the bottom of the list at \$9,600 a year.

Supreme court justices in Michigan are above the average, with \$74,000 a year in Michigan and the average of \$70,300 in the nine states. High for justices is California at \$81,859 and low is Indiana at \$47,244.

Maybe the relative ranking of Indiana's leaders helps explain how Indiana can offer lower tax levels to Michigan's business and industries in seeking to lure them over our southern border.

As for lieutenant governor, Michigan's \$53,500 is slightly lower than the average of \$54,000. New York led the list at \$85,000, while Ohio was at the bottom at \$35,000. The news clip I saw on the report didn't indicate what Indiana's lieutenant governor is paid.

THE REPORT also did not indicate which of the states operated with full-time legislators, which Michigan does, and which are part-time. Of course, each state is considered to have full-time governors — although in some cases, that may be tough to tell, too.

If Michigan should revert to a part-time basis for its legislators — as I'm convinced we should — then the pay level for the lawmakers should be reduced accordingly.

Even so, ranking so well among nine comparable states in pay levels is no source of pride either, in these times when unemployment in Michigan is as high as it is, and welfare loads are as high as they are.

Maybe the SOCC should consider some of those factors, too.

After all, the last time I looked there were no shortages of candidates for any of these well-paid state elected jobs.

Veterans Day — 1984

Veterans Day 1984 marks the seventh anniversary of the return of the observance to November 11 and the tradition of honoring the unknown soldier at Arlington on the 11th hour of the 11th day of the 11th month.

From 1971 to 1977, Veterans Day was observed on the fourth Monday in October in compliance with a 1968 law that changed most national holidays to Mondays.

Believing, however, that the November 11 date held great significance for this country, Congress passed a law in 1977 which returned the holiday to November 11. The law became effective in 1978, the sixtieth anniversary of the World War I armistice.

With the return of the observance to the armistice date of that "war to end all wars," this year's observance is an occasion to pay tribute to the 1,081,000 Americans who have died in the defense of their country in all American wars since 1776, and to more than 28 million living former servicemen who served during both war and peace.

Of a total of 38,924,000 war participants — going back to the earliest days of the nation — more than half of the men and women who have worn their country's uniform in wartime are still alive. Another 4.4 million living veterans saw only peacetime service.

Transferred by
Weyerhaeuser

Howard Meck, Weyerhaeuser General Manager, announced that Don Schanz, Grayling Human Resource Manager, has accepted a position with the Weyerhaeuser manufacturing complex in Marshfield, Wisconsin, as Human Resource Manager.

In his new position, Don will direct the personnel activities for 900 employees in four separate facilities. Before coming to Grayling in 1981, he served the Marshfield operation in the production, quality control, safety and training areas. He recently received recognition for his 20 years of service with Weyerhaeuser.

Don has served on the Board of Directors of the Grayling Regional Chamber of Commerce as well as the Grayling Recreational Authority. His family plans to join him in Marshfield at the end of the school year.

Dan Shea has been selected to succeed Don as Human Resource Manager at the Grayling Structurwood Mill. Dan joined Weyerhaeuser in 1981 after serving in the human resource area at the corporate facility in Tacoma, Washington, and the Columbus, Mississippi, mill. He has been at the Grayling mill since 1983.

Kalkaska County
Plat Maps
On Sale

by Verna Morrison,
4-H Program Asst.

1981 Kalkaska Plat Books are still available at the Cooperative Extension office located in the Kalkaska Governmental Center, 605 N. Birch St. The \$8.00 maps can now be purchased for \$2.00. Perhaps you have never explored your county maps. Now is a good time. At \$2.00 you can't go wrong.

You can pick up a copy or place an order by phone, 258-5074, and have the Plat Book mailed for a total cost of \$2.63.

What's in a Plat Book? There is a map of each of the 12 townships, showing privately owned land, as well as state properties. Land ownership changes, but there is much that does not.

For hunting purposes, you may be interested in the location of lakes and streams, state land, recreation areas, township boundaries and county roads.

If you have out-of-town friends or relatives who would appreciate a copy, why not see that they get one? By buying 4-H sponsored plat books, you are supporting the Kalkaska County 4-H Program.

By far the most costly of America's wars was its Civil War in which 5 million persons participated. That conflict resulted in 364,000 Union deaths and more than 133,000 Confederate casualties.

In contrast, 290,000 Americans fought in the Revolution, and 4,000 died in service. Out of 287,000 American participants in the War of 1812, 2,000 lost their lives in service.

During the Mexican War only 79,000 Americans were in uniform, yet 13,000 died in service.

In the Spanish-American War, 11,000 of the 392,000 U.S. participants died in service.

A total of 4,744,000 answered the country's call to arms in World War I, and 116,000 died.

World War II saw the greatest number of Americans ever in uniform — 16,535,000 men and women. There were 406,000 deaths in service during that conflict.

During the Korean fighting, 6,807,000 saw service, and when it was over in 1955, 55,000 had died.

A total of 9,834,000 Americans were in service during the Vietnam Era. Of that

number 47,000 deaths were due to action of hostile forces.

Today's population of living veterans — including those who served in more than one period — is made up as follows: World War II (39%), Vietnam (29%), Korea (19%), Peacetime (18%), and World War I (less than 1%). Only 22 veterans — America's oldest — remain from the Spanish American War.

Study Shows Small Businesses Fair Well in Michigan

Warren M. Hoyt, Executive Dir., MPA

A study conducted by the Independent Business Research Office of Michigan at the University of Michigan indicates small businesses bear a disproportionately high share of the costs under the state's unemployment insurance system.

However, the study concluded that contrary to popular belief by small business owners themselves, they do not pay an unfair share of the state's Single Business Tax (SBT) or workers' compensation costs.

Sue Wolfram of the research office associated with the U-M Graduate School of Business Administration, said workers' compensation costs are spread relatively even among small and large firms, while small businesses actually pay a lower SBT rate than their larger counterparts.

The study was requested by the Small Business Association of Michigan.

Participating in the study were economists from the University of Michigan and the W.E. Upjohn Institute for Employment Research.

The report concluded that unemployment insurance costs do vary systematically by size of the firm in the state.

The larger the firm, as measured by total payroll, the lower the incidence of the tax.

Relative to the single business tax rate, the study indicated that small firms normally pay an effective tax rate which is "considerably lower" than that paid by larger firms.

It said that on the average, smaller firms (those with a SBT liability less than \$5,000) pay tax equal to .9 percent of their value-added and larger firms pay 1.5 percent.

Sixty-six percent of the firms filing SBT returns fall into the small firm category, according to the study.

The report noted that the very smallest firms (payrolls of less than \$78,000 or about four employees at the state average wage) do incur higher workers' compensation costs than larger firms.

This was attributed to fixed costs inherent in marketing of workers' comp insurance and the greater frequency (about three

times) of assigned risk as any other group. The study noted the larger firms (over 100 employees at state average wage) paid an estimated average of 2.07 percent of payroll while small firms paid an estimated 2.19 percent.

The date does not include self-insured firms, and it is expected that their inclusion would have lowered the percentage paid by larger firms, thus widening the gap further.

"As a matter of policy, the tax rate levied on small business is significantly lower than that levied on others. Thus, over the range of firm sizes from 1 to 50 employees, the SBT has the effect of offsetting some of the cost advantages of larger scale production," the study concluded.

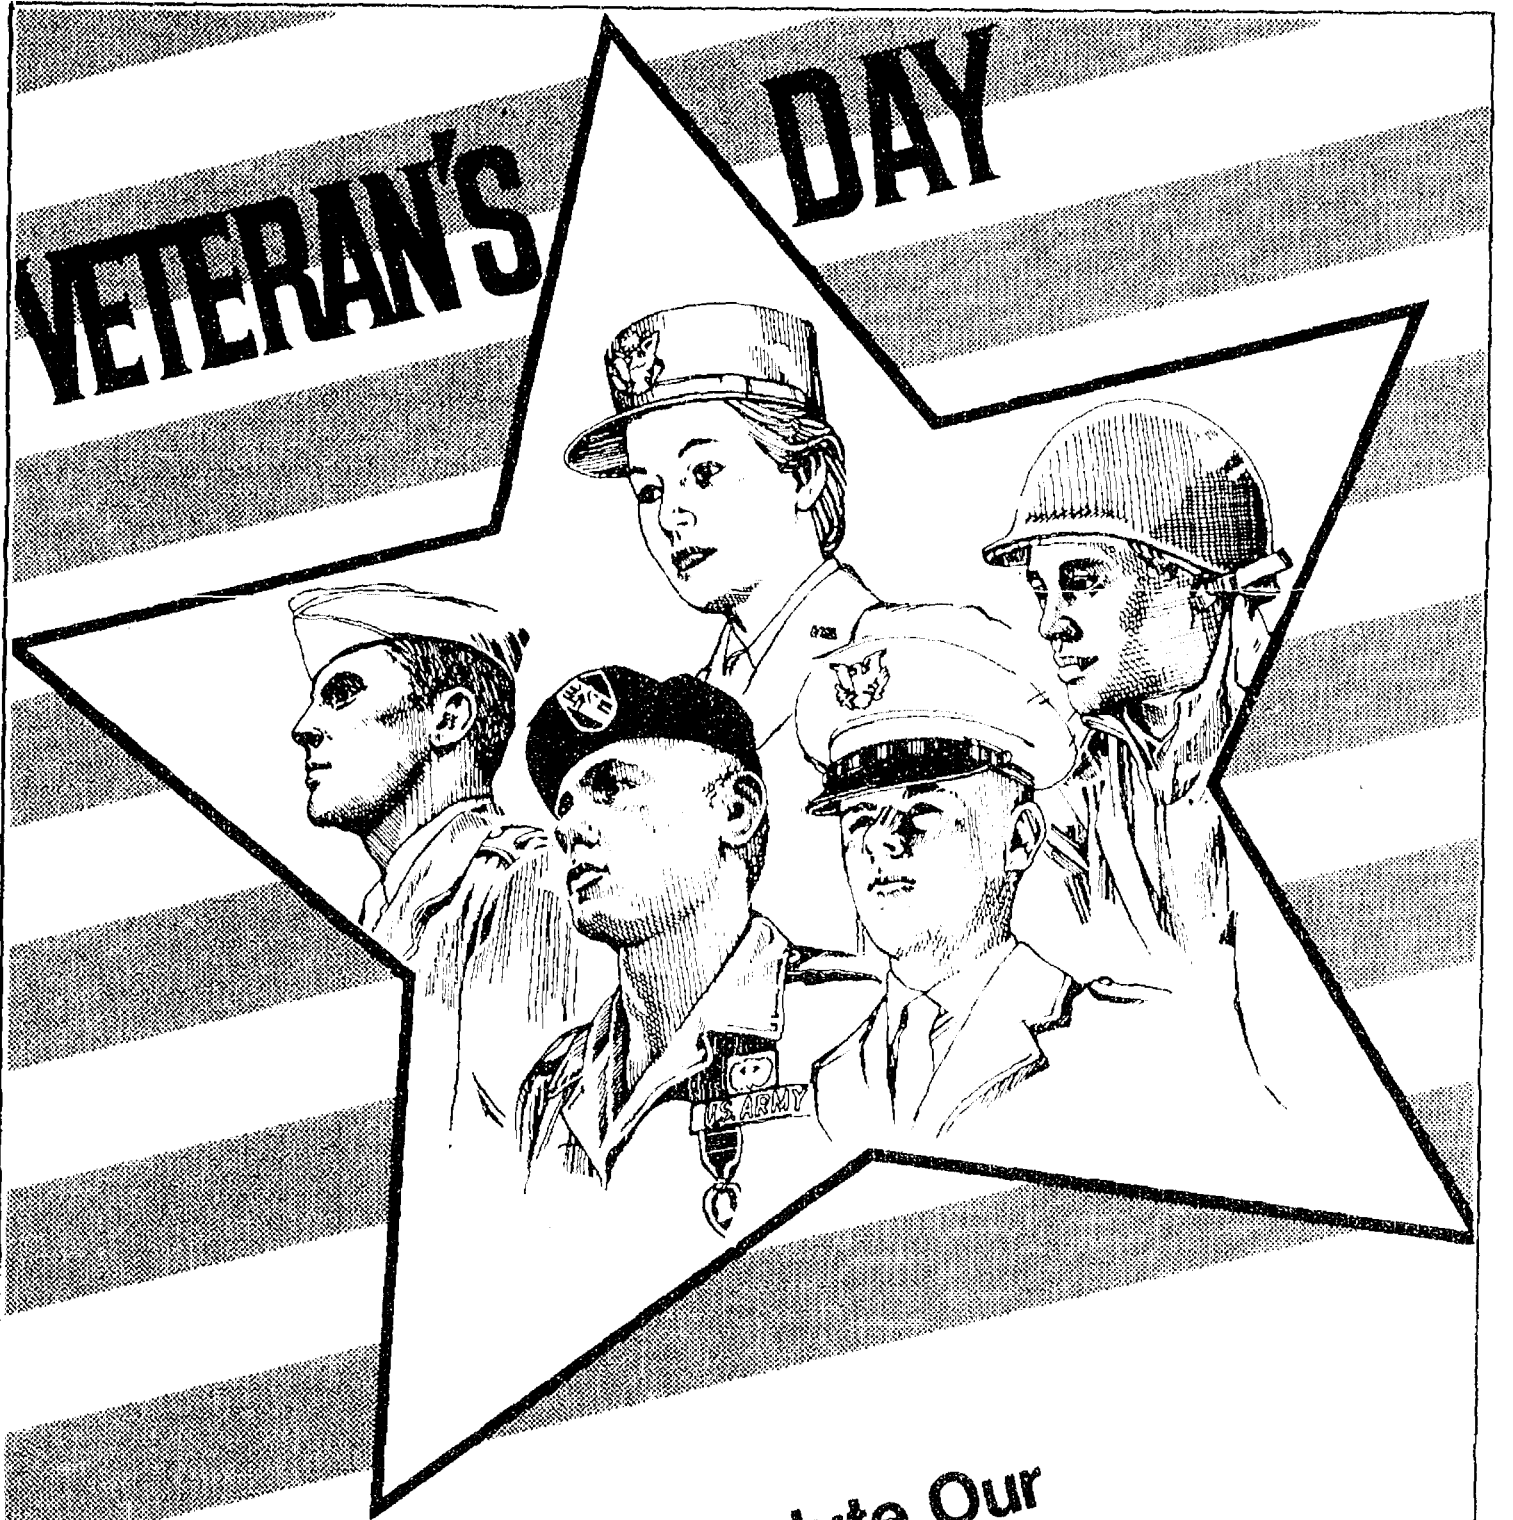

Winter Energy Supply Sufficient

Terry Black, director of the Energy Administration, Department of Commerce, reported that energy supplies should be ample to meet the heating needs of Michigan residents this winter.

In releasing a semi-annual report on state energy supplies, demand and prices, Black said inventories and production of natural gas and heating oil are at near normal levels and energy supplies should remain adequate even in the coming winter is colder than normal.

The report was jointly prepared by the Energy Administration and the Public Service Commission.

Conclusions of the report include that electricity sales through June, 1985, are projected to be about the same as sales of the previous year; the Michigan demand for motor fuel during 1984 is expected to decline approximately 3 percent for 1983 with the trend to continue into 1985; new coal-fired power plants brought on-line or about to be brought on-line will add a total of about 2,400 megawatts of new generating capacity to the Detroit Edison system and world petroleum supplies have been relatively unaffected by the ongoing Iran/Iraq conflict and crude oil prices are expected to remain near current levels.

**We're Proud to Salute Our
Nation's Courageous Vets**

They've carried us through over two hundred years of history, serving this country in times of war and peace. The men and women who've made up our armed forces have done their jobs valiantly, giving up precious time out of their lives to offer their important contributions to the American way of life. Let's celebrate their accomplishments and unselfish acts that have helped to sustain and defend our nation's existence. We're proud to honor them all, and show our support to Veterans, past and present. Thank you for doing your part!

What Is a

4-H Leader?

Somewhere between the sternness of a parent, and the comradeship of a pal is that mysterious creature we call a 4-H leader. These leaders come in all shapes and sizes and may be male or female. But they all have one thing in common - a glorious twinkle in their eyes!

4-H leaders are found everywhere - at judging contests, junior fairs, square dances, and talent shows - and are always preparing for, sitting through, participating in, or recuperating from a meeting of some kind. They are tireless consumers of muffins, expert at taking knots out of thread, peerless soccer coaches, and spend hours on the telephone.

A 4-H leader is many things - an artist making a float for the Fourth of July, a doctor prescribing for an underfed calf, a counselor at camp, a lawyer filling out reports, and a shoulder to cry on when that dress just won't fit!

Nobody else is so early to rise and so late home at night. Nobody else has so much fun with such a large family of boys and girls.

We sometimes forget them, but we can't do without them. They receive no salary, but we can never repay them.

They're Angels in Aprons, Saints in Straw Hats. Their only reward is the love of the kids and the respect of the community. But when they look around them at the skills they've taught, and the youth they've built, there's an inner voice from somewhere that says, "Well done."

If you are interested in being a 4-H leader please call Ann Stephenson at the Cooperative Extension Service at 348-2841 ext. 265. 4-H needs you!

Sponsor Retreat For Young

Nov. 30 - Dec. 2

The Youth and Young Adult Ministry of the Catholic Diocese of Gaylord will sponsor "Seasoning Our Life," a retreat for high school juniors and seniors scheduled for November 30 through December 2, 1984 at AuSable Trails in Mancelona, Michigan.

"Seasoning Our Life" is a time set aside for teens lead by a team of teens and adults who have been specially prepared in leadership for the weekend event.

Teens learn more about themselves and their relationships with God. They are helped to recognize their particular gifts of time and talents and the insights they bring to their families, parishes and communities. The weekend gives teens time to share hopes and dreams, a chance to enjoy music and meet new friends.

The retreat will begin Friday evening November 30 and will conclude on Sunday afternoon December 2. The cost is \$33.00 per person, which includes 2 nights lodging, five meals and all program materials. Persons interested in attending are encouraged to register by November 19.

For further information and registration forms, contact Seasoning Our Life - Catholic Diocese of Gaylord, P.O. Box 700, Gaylord, Michigan 49735 or by calling (517) 732-5147.

Editor's Mailbox

Nov. 2, 1984

Editor
Crawford Co. Avalanche
100 1/2 Michigan Avenue
Grayling, Mi 49738

To The Editor:
It has been brought to my attention the recent appearance of male strippers in a local Grayling tavern (The Sawmill). I have also been led to understand that the next "performance" is Wednesday, November 7, 1984 at 9:00 p.m. I am told that males are not allowed to attend, but we need not be concerned, for female mud wrestlers are tentatively scheduled for the Sawmill on November 19 and 20 - then it's our turn.

People of Grayling, is this really your desire? I speak to born again christians, professing christians, and any moral God-fearing person who cares about godliness and righteousness. Do we really desire our children in Grayling and grandchildren to be raised in an environment where immorality and pornography are first underground, then tolerated, next infiltrating, and finally a serious sin sickness permeating the very fabric of our community?

Obscenity, pornography, and immorality are reaping bad fruit; genital herpes, syphilis, AIDS, broken homes, kiddie porn, etc., etc. It is obvious that the Lord is judging this sin-sickness (He said He would in His word). Proverbs 14:34 states that "Righteousness exalted a nation; but sin is a reproach to any people." Romans 1:28 states that "God gave them over to a reprobate mind, to do those things which are not convenient." Could that be happening here? 1 Timothy 4:1-2 states that "In the latter times, some shall depart from the faith...having their conscience seared with a hot iron." I wonder if our consciences are becoming seared. Have we been so inundated with immorality by television, radio, newspapers, magazines that we are all afraid to speak in absolute terms, i.e., black-white, right-wrong, yes-no? I wonder if we are afraid of being accused of being "unenlightened," "old-fashioned," or "out of touch with reality." Should we care? God's word is clear on this subject.

One final note. Where is the hue and cry from local ministerial leaders? Why the silence? Pastor Barnett has made the position of Calvary Baptist Church clear regarding this issue, but there is only strange silence from other quarters. Does your silence mean you affirm what is happening, or is it just plain apathy, or could the main concern be church membership rolls?

I urge this community to take a stand on sexual immorality in all ways, shapes, and forms. We need to stop it now before it is more firmly entrenched. 1 Corinthians 10:31 states "Whether therefore you eat, or drink, or whatsoever you do, do all to the glory of God." We can start by calling, writing, and speaking to any establishment that supports these activities.

Sincerely,

C. Michael Langdon, M.D.

Grayling Travelogue Series To Present "Egypt" Nov. 15

On Thursday evening, November 15 the Grayling community Education Program will present the next full color documentary of their 12th Annual Series at 7:30 p.m. in the Joseph Stripe Auditorium. Any deer hunter who can provide proof that they were successful on opening day will be admitted to this interesting travelogue FREE! The film will be narrated alive and in person by nationally recognized lecturer-photographer Steve Gonser.

Cruise the legendary Nile River in a traditional sailing boat. Enjoy the river scenery of vibrantly fertile fields and date orchards. The Nile River is Egypt's lifeline. In Alexandria you'll stroll the beaches, explore the harbor and El Morse Mosque, Mantajah Palace, Pompey's Pillar and the Alexandrian lighthouse. You'll also see a local soccer game in progress.

On the Sinai Peninsula, you'll gather with Bedouins at an oasis. In the Monastery of St. Catherine, you'll view priceless art treasures. In Cairo you'll visit market and mosque, university and museum, and the fabulous Pyramid of Giza sound and light show.

Luxor is famous for the temples of Luxor, Karnak, the camel market and the Colosseum of Memnon. Close by, the Valley of the Kings is the final resting place of King Tutankamen or King "Tut".

While in Egypt, you'll meet a typical Egyptian family. You'll learn about life in Egypt up close and personal. Walk the bazaars, alleyways, tiny shops and along the banks of an ancient river.

Beginning with this performance, travelogue goes will be able to make use of the new entrance to the Joseph Stripe Auditorium. Those attending the travelogue are asked to park to the rear of the main parking lot and from there, the entrance will be highly visible. There is also a circle drive which will allow drivers to drop off passengers within a few feet of the door.

GHS Players To Open Their Season This Weekend

The Grayling High School Players will open their 1984-85 season this weekend with a smash comedy hit, "The Great All-American Musical Disaster". Though the title may be a bit misleading, the production is a comedy farce on the inner workings of the Hollywood movie scene and is not a Broadway Musical. "The Great All-American Musical Disaster" will be presented in three performances beginning Thursday, November 8 and continuing on Friday and Saturday, November 9 and 10. Doors will open at 7:30 and the performance will begin at 8:00.

Admission to "The Great All-American Musical Disaster" and the other plays to be presented by the GHS Players has been set at \$3.50 per person. Admission for the Broadway Musical "Camelot" to be presented in May is slightly higher. However, season tickets to the Players are still available and can be purchased at the box office prior to any of the three performances of this first show. Price of season tickets is \$6.00 for students and senior citizens and \$10.00 for adults, a savings in some cases of 50 percent. Other shows to be presented this season by the GHS Players are "Pools Paradise" on January 31 and February 1 and 2, 1985, and the Broadway Musical "Camelot" on May 9, 10 and 11, 1985.

The entrance to the Joseph Stripe Auditorium has been relocated to the rear of the Grayling High School Building. Patrons are being asked to park to the rear of (the west side) the main parking lot. From that area, the entrance to the auditorium will be highly visible. There will also be a circle drive which patrons may use to drop off passengers just a few feet from the door.

Moisture Damage

Foggy windows may be annoying, but when there is so much water condensing that it remains on the windows into the afternoon, there is too much moisture in the house. If this condition is allowed to continue, mold, mildew and rot problems will arise. Damage done to houses by rot is as great as or greater than that done by termites.

Proclamation

WHEREAS, The public schools are an important and integral part of our society; and

WHEREAS, The concept of a free and equal education is an American tradition and this country's strength; and

WHEREAS, The students of today are the leaders of tomorrow; and

Canned Foods

Frost-bitten vegetables may be canned, but put them up as soon as possible after the frost hits.

It is not safe to can strained (pureed) vegetables or meats at home. Instead, can them in the usual way and strain them just before serving.

Try to use home canned foods within a year. They will remain safe for several years longer, but the eating quality will drop.

Free Diabetes Test at Mercy

Diabetes can be dangerous if left untreated. Uncontrolled diabetes can lead to blindness, kidney failure, heart attack and stroke. A person who knows he has diabetes and controls it usually leads and active and productive life.

The American Diabetes Association urges you to take a free diabetes test during Diabetes Detection week, November 11-17. Grayling Mercy Hospital will be sponsoring free diabetes testing Wednesday, November 14 and Thursday, November 15 at 1:00 p.m. to 3:30 p.m. in the lobby of the Long Term Care Facility.

For further information on the diabetes testing, contact the Public Relations Department at Mercy Hospital, (517) 348-5461, ext 115.

Road Commission Minutes

September 21, 1984

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Kraus presiding. Present were: Chairperson Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Acting Secretary Joanne Turner.

The minutes of the previous meeting of September 10, 1984 were read. Commissioner Cason made a motion to accept the minutes as read, seconded by Commissioner Parker. All voted in favor, minutes approved.

Payroll Voucher Number 19 in the amount of \$24,864.97 and Material check numbers 8326-8375 and 8377-8379 in the amount of \$144,406.74 were presented to the Board for approval of payment. The Board reviewed the submitted material and Commissioner Parker made a motion to accept the vouchers for payment, seconded by Commissioner Cason.

Bids were opened at this time for 10,000 cubic yards of gravel. The only bid received was from Henry Mason, Mason Excavating, Inc., for a total price of \$22,500. The bid was awarded to Henry Mason Excavating, Inc.

A permit was received from Michigan Consolidated Gas Company to construct a pipeline crossing at Old 27 and Kolka Creek Road in Frederic Township. The permit was reviewed and signed.

A group of residents appeared before the Board regarding the projects underway at road endings and the AuSable River. Representatives from the Department of Natural Resources, Trout Unlimited and those interested in riverboat landing sites were present. A general discussion was held regarding erosion control at the sites and various access widths. A decision was made by the Board of Road Commissioners that the width for Burtons, Louie's and Thendara landings shall be 15 feet and that the Thendara landing shall be postponed until 1985. The landing at Keystone will be retained at approximately 6 foot in width. Chairman Kraus thanked everyone for attending the meeting and sharing their comments.

There being no further business before the Board, a motion was made and seconded to adjourn the meeting. All voted in favor, meeting adjourned.

Joanne Turner Acting Secretary Gloria Kraus Chairman

City Council Proceedings

Regular meeting of the City Council held October 8, 1984.

Meeting called to order by Mayor Thompson at 7:30 p.m.

Members present: Thompson, Latuszek, Sloan, Golinick.

Members absent: Sabin*.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Don Geiss, WQON; Patricia Schreiner, Carol Longworth, Don Sorenson, Kevin McDonough, Darrel Sauter, Randy Stampfly, Rochelle Campeau, Gerry Yates, Maureen McNamara, Betty Bennett, Rose Duley, Gina Medley, Ivan W. Gwilt, Dennis Heaton, William Ruddy.

Motion by Golinick, supported by Latuszek that the minutes of the meeting of September 24, 1984 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

*Mr. Sabin was now present.

Citizens who wish to speak.

Ms. Bennett appeared with several members of the Milltown Committee to request Council to agree to place a banner across the Business Loop 1-75 for the 1985 Milltown Festival. Mr. Thompson noted that the subject had been raised several months ago and that in co-operation with the Grayling Rotary Club the city had placed permanent signs at both entrances to the city. Ms. Bennett stated that the signs were nice but they still wish to have the banner across the road. Mr. Morford detailed how the permanent signs were placed. Mr. Golinick noted that the liability to the city is considerably greater than it was several years ago.

Motion by Latuszek, supported by Sloan that Council go on record as being in favor of placing the banners across the BL 1-75 to promote Grayling Milltown Festival if the Milltown Committee will research the matter and follow-up on the placing and maintenance of the banners and insurance on same. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Ms. Yates asked if the posts which were placed in front of the Historical Museum had been removed permanently. Mr. Morford stated that the posts had been placed temporarily but that they have been removed and will not be reinstalled in the foreseeable future.

Col. Gwilt expressed his thanks to the Council for their reception of the Milltown Committee's proposal.

Communications were received and noted.

From Grayling Regional Chamber of Commerce re: News-letter.

From Grayling Beautification Committee re: Meeting Minutes.

From M.M.L. re: Legislative Bulletin.

Motion by Sabin, supported by Golinick that Council go on record as supporting SB 853. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Ms. Latuszek asked for a copy of Senate Substitute for HB 5470.

From City Treasurer re: September Financial Statement. There were several questions asked by Council Members.

From City Treasurer re: September Gasoline & Mileage report.

From City Manager re: Copy of Open Meetings Act.

From Muriel Weatherly re: Street light petition for installation of a street light at M-72 and Industrial Street. Mr. Golinick spoke in favor of the installation of the light.

Motion by Golinick, supported by Latuszek that the city co-operate with Grayling Twp. in the light at M-72 and Industrial Street and request installation of lights on North Down River from 1-75 to Roberts Road. Ayes: 5, Nays: 0, Absent: 0, motion carried.

From Lawrence D. Hunter re: Alley in Blk 17 of Original Plat. Mr. Thompson stated that he felt Mr. Hunter's proposal made an excellent point. Ms. Latuszek agreed. Council agreed that alleys and parking lots will be considered in future street construction projects.

From M.M.L. re: M.M.L. Liability & Property Insurance Pool Directors. Mr. Sabin noted that he would like to see someone from a city closer in size to Grayling and suggested Mary Lou Grey of Hastings. Ms. Latuszek suggested Edward Madere of Brighton. Council decided to mark their ballots and Mr. Morford will tabulate them and submit the results to the M.M.L.

Old Business

Discussion of Christmas Decorations took place. Mr. Morford reported that he has agreed to purchase 10 strings of small white lights to be used in decorating City Hall, in co-operation with the Grayling Promotional Association. He has contacted Consumers Power Co. relative to lights on the poles along the I-75 BL South. He also noted that consideration has been given to concentrating city decoration efforts on the City Hall property rather than commercial areas. Considerable discussion took place and Council asked the City Manager to have more data at the next meeting.

Mr. Morford presented the site plan for Cobble Creek Apartments Phase II. The construction would be immediately north of their present location and would consist of 20 additional units. He explained the site plan to Council and noted that the plan meets the requirements of the Zoning Ordinance.

Motion by Golinick, supported by Thompson that the proposed site plan for Cobble Creek Phase II be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

New Business
Mr. William Ruddy and Mr. Dennis Heaton of U.S. Fidelity & Guarantee Life Insurance Co. appeared to request Councils permission to solicit City Employees for a life insurance program which would include payroll deductions for premiums. Mr. Heaton presented a slide program explaining the program. Council asked several questions about the program.

Mr. Sabin noted that Council should not endorse the program but could allow the company to solicit the employees, on their own time, and agree to allow payroll deductions.

Motion by Golinick, supported by Sloan that the U.S. Fidelity & Guarantee Life Insurance Co. be allowed to solicit city employees for the insurance program and that city agrees to accept payroll deductions for the premiums. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Motion by Sabin, supported by Sloan that future requests for payroll deductions be summarized in writing and submitted to Council 1 meeting prior to formal consideration by Council and that formal presentation at the following council meeting be limited to 5 minutes. Ayes: 4, Nays: 1 (Thompson), Absent: 0, motion carried.

The City Manager reported that at least one leak has developed in the Fire Barn roof and noted the need to correct the problem before more damage occurs. He noted that he has received a quote from a roofer to redo the roof with a Goodyear Rubber roof. He also noted that any work must be in co-operation with Grayling Township and will require their acceptance of the project. Mr. Morford will attend the Township meeting October 9, 1984 to discuss the problem with them.

Motion by Golinick, supported by Thompson that the City participate with Grayling Township to re-roof the Fire Station with a limit of fifty percent of the cost for the city share and that the City Manager be authorized to advertise immediately. Ayes: 5, Nays: 0, Absent: 0, motion carried. Council agreed that bids should be taken with a limit of 2 weeks for letting the contract.

Mr. Morford presented an accumulation of bills for service from Richards and Associates for work done on several projects. The invoices total \$6,797.00. He noted that the delay in receiving the invoices and requesting payment was due to the application for a Small Cities Grant by the city which could have funded them. The grant was denied so the invoices must be absorbed by the water/sewer department.

Ms. Latuszek asked several questions about the invoices. She felt that perhaps the city was being billed for some things which appeared to be background information for the engineers. Council agreed that the school system should be billed for that portion of the invoice which applied to examination of the proposed school site.

Motion by Latuszek, supported by Thompson that the invoice be paid with the exception of items 3 and 4 requesting an explanation of item 3 and the school district be billed for item 4. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of City Manager. Mr. Morford reported on the following:

Former Laura Smith house. The building has been removed. Painting of Consumers Power Poles.

Motion by Latuszek, supported by Sloan that the City Manager be requested to contact Consumers Power Co. by letter about painting of the light poles in the downtown area. Ayes: 4, Nays: 1 (Golinick), Absent: 0, motion carried.

October 31, 1984 Halloween evening and proposed notice to be published.

Lighting of Welcome signs at outskirts of the city. Council agreed that the purpose of the signs was to advertise tourist attractions and/or events scheduled for the area.

Reports of Councilmen.

Mr. Golinick asked about the response from the Highway Department about the left turn arrow at Michigan Avenue and the B.L. Mr. Morford will contact them again.

Mr. Thompson requested permission to attend a HUD meeting in Grand Rapids. Council agreed.

Adjournment

Motion by Sabin, supported by Golinick that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 10:10 p.m.

NOTICE OF HEARING TO DEVELOP A MICHIGAN PUBLIC SERVICE COMMISSION POLICY ON THE PROVISION OF TRANSPORTATION SERVICE BY GAS DISTRIBUTION UTILITIES

On July 23, 1984, the Association of Businesses Advocating Tariff Equity (ABATE) filed an application for rulemaking or other appropriate relief concerning the provision of transportation service by gas distribution companies for industrial end-user companies that have purchased natural gas directly from producers.

ABATE has asserted that Consumers Power Company (CPCo) is presently providing said service at 65.71¢ per Mcf and Michigan Consolidated Gas Company (MichCon) is requesting a rate of approximately \$2.30 per Mcf for essentially the same service. ABATE contends that if transportation service is to be offered by Michigan's gas distribution utilities it should be done so only on the basis of Commission policy which is applied in a consistent and non-discriminatory manner.

The Commission has concluded that it is its responsibility to see to it that those utilities that choose to render transportation service in Michigan do so in the public interest. The Commission has further concluded that it would be a disservice to Michigan utilities, and ultimately utility ratepayers, if the traditional customers of the distribution utilities were not provided with the Commission's policy covering the provision of transportation service.

On September 26, 1984 the Commission issued an Order Initiating Inquiry in this matter, the same to be conducted in the form of a generic hearing. The scope of said hearing was established by the Commission which stated in said order that:

"The issues to be addressed at the generic hearing shall include but not be limited to:

1. Should rules be promulgated by the Commission covering the provision of transportation service by gas distribution utilities or other common or contract carriers? If so, what specific rules should be promulgated?
2. If rules are not adopted by the Commission, what purpose would be served by developing flexible guidelines, as done in New York? If a purpose can be served, what specific guidelines should be adopted?
3. If either rules or guidelines are adopted, should the following factors be considered in approving changes in transportation rates, charges and conditions of service:
 - a. Whether a customer had dual-fuel capability?
 - b. Whether the rate should be based on the cost of providing service to the individual customers or on aliquot share of the cost of serving all of a utility's customers?
 - c. Whether the rights to a utility's capacity should be different depending on the type of customer involved (transportation vs. regular rate)?
 - d. Whether transportation customers should be required to give notice before renewing service as regular customers?
4. Whether the provision of transportation service by gas utilities will undermine the traditional relationship between gas utilities and their customers or gas utilities, pipelines and producers? If so, why is this the case?
5. What revisions to existing delivery systems need to be made to accommodate the provisions of transportation service?
6. Should the Commission distinguish between contract and common carriage or should the Commission consider a utility that contracts to perform transportation service a common carrier, subjecting its entire transmission and distribution system to the constraints of Act 9?
7. Any other issues that are relevant to this inquiry."

In said September 26, 1984 Order the

Commission also stated that:

"Inasmuch as contracts already exist for providing such service, it is necessary to address the legality of those contracts during the pendency of the generic proceeding. Section 10 of Act 9 provides that the rates and charges for transportation service should be stated and set up in the manner and form required by the commission and outlined in its rules and regulations for filing of rates of artificial gas utilities or in accordance with such rules, regulations and conditions of service as may be hereafter adopted by the commission and which it is hereby empowered to make for the regulation of such common purchasers and common carriers of natural gas" (emphasis added).

"Since Section 10 provides for the filing of transportation rates and contracts prior to the promulgation of rules specifically designed to deal with transportation service, any contracts which have been filed prior to this date in accordance with Section 10 should continue in effect. Any transportation services that are being or will be rendered by gas utilities prior to the effective date of the generic policy should comply with the filing requirements of Section 10. As long as each utility that files such contracts and rate schedules applies such rate schedules and charges in a non-discriminatory fashion, as required by Section 6, each utility's rate schedules need not conform to any other utility's rate schedules. Moreover, nothing in Act 9 prohibits a utility from using load characteristics of customers in designing a fair and equitable rate for transportation service. Although any significant disparity between the rate schedules of one utility and another may support the need for a generic policy, as ABATE suggests, the statute only prohibits discrimination by and not between common carriers. This is consistent with the Commission's treatment of general rate orders and rates paid by common purchasers, inasmuch as each utility's cost of service and load characteristics vary considerably."

Jurisdiction is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq; 1919 PA 419, as amended, MCLA 460.51 et seq; 1929 PA 9, as amended, MCLA 483.101 et seq; 1939 PA 3, as amended, MCLA 460.1 et seq; 1969 PA 306, as amended, MCLA 24.201 et seq; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that:

A. A public hearing will commence at 9:30 AM on November 28, 1984 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan.

B. Consumers Power Company and Michigan Consolidated Gas Company shall file prepared testimony on or before November 14, 1984. Other distribution companies, pipeline companies and other interested persons may file prepared testimony by a date set by the Administrative Law Judge.

C. Prepared testimony shall address at least all the issues discussed above.

D. All interested persons may file written comments on or before the last day of hearings. All interested persons may file briefs, reply briefs or both in accordance with the schedule to be set by the Administrative Law Judge.

E. These proceedings will be held in the nature of a legislative inquiry rather than as a contested case. Prepared testimony will be under oath, subject to questioning by the Commissioners, the Administrative Law Judge and the Commission Staff.

4-H's Apply for International Exchange

Crawford County 4-H's ages 15-19 are asked to apply for the International 4-H Youth Exchange (IFYE) Ambassador program by March 1.

Participants have 14 countries to choose from for 1985. 4-H members wishing to apply should do so as soon as possible to secure the country of their choice. Assignments are made beginning in January.

Ambassadors live and work with host families for approximately six weeks, June 22 thru Aug. 1.

"The IFYE program is an excellent chance for 4-H's to learn about local customs, visit historical and cultural sites, and becoming acquainted with another language," says Ann Stephenson, Crawford County 4-H Program Assistant. "Some countries will emphasize a certain project area, while others will be more general in the activities covered."

Countries participating in 1985 include Australia, Botswana, Canada, Costa Rica, Denmark, France, West Germany, Italy, Kenya, the Netherlands, Spain, Sweden, Switzerland and the United Kingdom.

For more information, stop by the Crawford County Cooperative Extension Service office, or call 348-2841 ext 265.

Special Army Presentation at High School

A special Army Mechanical skill team gave a presentation at Grayling High School Monday, November 5.

The two-person demonstration team provided an oral and slide presentation on Army mechanical training, opportunities and duties. The program also displayed recent technical advances in hydraulic, heavy suspension systems and approved shop safety practices. Army recruiter Sergeant First Class Ken Carpenter was available to answer questions pertaining to opportunities, skill training and benefits in today's highly technical Army.

Team members Sergeant First Class Thomas Griffin specializing in M-1 Abrams tank maintenance and Sergeant First Class Edwin Walton experienced in M-60 tank systems came to Michigan from the US Army Armor Center, Ft. Knox, Kentucky.

During the presentation, students and faculty members were invited to participate in questions and answer period covering topics such as training, shop safety, mechanic duties and other Army opportunities.

Zonta

Zonta, an international organization comprised of executive members, is a new club to this area. It was founded in Buffalo, New York, November 1919, to provide fellowship and support to women through local and national service projects.

**Arts Council Presents
CMU Players Again**

On Sunday, December 9, the Crawford County Arts Council welcomes the Central Michigan University Players back to Grayling for the third year with their performance of Bertolt Brecht's "The Caucasian Chalk Circle." The play, which will be performed at 3:00 p.m. in the Joseph Strip Auditorium is sponsored by the CMU Windows Program, and admission is free.

"Circle," directed by Rod Umlas, CMU's director of theatre, features two Grayling High School graduates: senior Susan Prouse, daughter of Gayle Prouse and Robert Prouse; and freshman Troy Haag, son of William and Sherry Haag.

Mark your calendar today in order to make certain to see "The Caucasian Chalk Circle," Brecht's spectacular fable of colorful and dramatic action.

In other Arts Council news, the dance program is holding its Family Week during all dance classes from November 5 to 9. Family members and close friends are welcome to enjoy a cup of coffee while they watch their child's class in session.

Also from the dance program, auditions for the ballet "Cinderella" will be held on Saturday, November 10, at 12:30 p.m. All ballet students in the CCAC dance program are invited to audition for the ballet, which will be presented at the Spring Recital.

On Sunday, October 28, the Council sponsored its final Midwest Lyceum performance - the Midwest Trio in concert. A small but appreciative audience listened to three members of the Grand Rapids Symphony Orchestra, as they played pieces by Beethoven, Liszt, Brahms, Schubert, Haydn, and even Scott Joplin, among others.

Bernice Mrozinski (piano), Harris Shilakowsky (violin), and Robert Madura (cello), all excellent musicians who have played regionally, nationally, and internationally, delighted the crowd with their afternoon program.

November is membership month for the CCAC! Present members are urged to renew, and new members are invited to join, by sending their membership forms to Bonnie Yates, P.O. Box 686, Grayling, MI 49738 (348-3232, evenings). The Arts Council offers a variety of memberships to fit individuals, students, senior citizens, families, patrons, and sustaining members. Every membership helps the Council to promote and support the visual and performing arts in Crawford County.

Substance Abuse Meeting

The next regularly scheduled meeting of the Northern Michigan Substance Abuse Services Board of Directors will be held on Monday, November 12, 1984 beginning at 10:00 a.m. at the Holiday Inn in Grayling. For agenda and details please call (517) 732-1791.

Chance of a Lifetime

The International Exchange Program of Blue Lake Fine Arts Camp, Twin Lake, Michigan has recently announced the selection of Telaina Sanderson, a Grayling High School Junior, as a member of the 1985 Blue Lake Goodwill and Musical Tour. This tour is scheduled to depart the USA on 17 June 1985 for Denmark, Norway, Finland and West Germany.

This chance of a lifetime will cost \$1960.00. A special account has been established at the Grayling State Bank with hopes that many groups and individuals will assist Telaina in this opportunity. Congratulations to Telaina on this selection!

Cadettes go Punk!

The Cadette Girl Scouts started their year off with a Halloween Make-up Party at their leader's home, Marge Lenn with Lee Dann assisting. The Cadettes came as Boy George, baseball players, a Chinese and ballet dancer along with others in punk dress.

Notes from the "Pump" appeared throughout the evening with messages for the guests. Each girl carved her own pumpkin to take home. Nachos with cheese and cokes added to the party for the eight girls and two adults. A great time was had by all. Anyone who would like to join this great group of Cadettes contact Marge Lenn after 6:00 at 348-7334 or Dixie Lobsinger, Troop Organizer at 348-9178.

Just thought I'd mention that one of our bartenders, Mary Jane, is leaving us. When you get a chance this week, stop in and say so-long to her. Thanks Mary for serving us in the past and good luck in the future.

Until next time ... Have A Nice Day!!

Mittens! Mittens!

The Girl Scout Mitten Tree is up at Goodale's Bakery this month. Get your needles knitting, buy a pair at the stores, wash up out grown mittens and hats. Take them down to the Bakery and hang them on the tree. Money for mittens can also be left to buy mittens.

Over a hundred pairs of mittens, hats and scarfs were donated at the Mitten Tree last year and more had to be bought to give to the needy for Christmas.

Brownie Troop #2009 a group of third graders went down to the Bakery Thursday to put up the tree for the mittens. Mrs. Goodale served the girls doughnuts as their snack, songs were sang and the closing ceremony was held there. The girls put the first pairs of mittens on the tree so people would know why the tree was up now. Nancy Wells, Brownie Troop #2100 a group of second graders is making a poster for the window about the tree.

Viking Comeback Falls Short

Grayling rallied from a 22-0 deficit to almost pull out a final season victory against Onaway Friday. A two-point conversion pass to tie the game was intercepted and Grayling fell 28-26.

Grayling's comeback came mainly on the arm of senior quarterback Jeff Branch passing to seniors Rod Patterson, Jon Nicholas, and Brad Naghtin.

Branch fired a 26-yard touchdown pass to Brad Naghtin for Grayling's first score to make it 22-6 in the second quarter.

Long passes of 38 yards and 25 yards to Patterson and Naghtin set up a three-yard touchdown run by Branch to cut the lead to 22-12 by halftime.

After Onaway recovered the opening kick-off in the second half and drove 45 yards for a score, Branch came right back with another touchdown pass. This time Nicholas caught the ball on a 66-yard scoring play. Branch then tossed a two-point conversion to Gregg Burns to bring Grayling with eight points at 28-20.

In the fourth quarter, Branch threw 31 yards to Patterson for a touchdown with three minutes to go. The extra-points conversion pass was intercepted to blunt the comeback.

Onaway jumped all over Grayling early in the game as they returned the kickoff 50 yards to the 15-yard line of the Vikings. They scored on a one-yard run and then added two points on a run.

Grayling was intercepted on their first possession and Onaway took over at the Grayling 10-yard line. A four-yard run and two-point conversion run made the score 16-0.

Onaway recovered a fumble next and used a halfback pass to score from 22 yards out making the score 22-0 before the first quarter ended.

Branch ended up with 211 yards passing on 12 for 24 with three touchdown tosses and three interceptions.

We Both Thank You

Lex and I wish to thank Shear Magic and the Crawford County Deputies Association for their generous donation to cover our food and lodging, as well as the county of Crawford for Providing the gas and oil, which made it possible for us to attend a four-day Police Dog Training Seminar in Sandusky, Ohio. At this training seminar we learned the newest techniques in shallow grave and building searches, together with tracking and obedience training. It was an honor and a privilege to be selected one of the 50 handlers to attend this training seminar and it would not have been possible without your help and donations. Again we thank you all.

Chamber Chatter

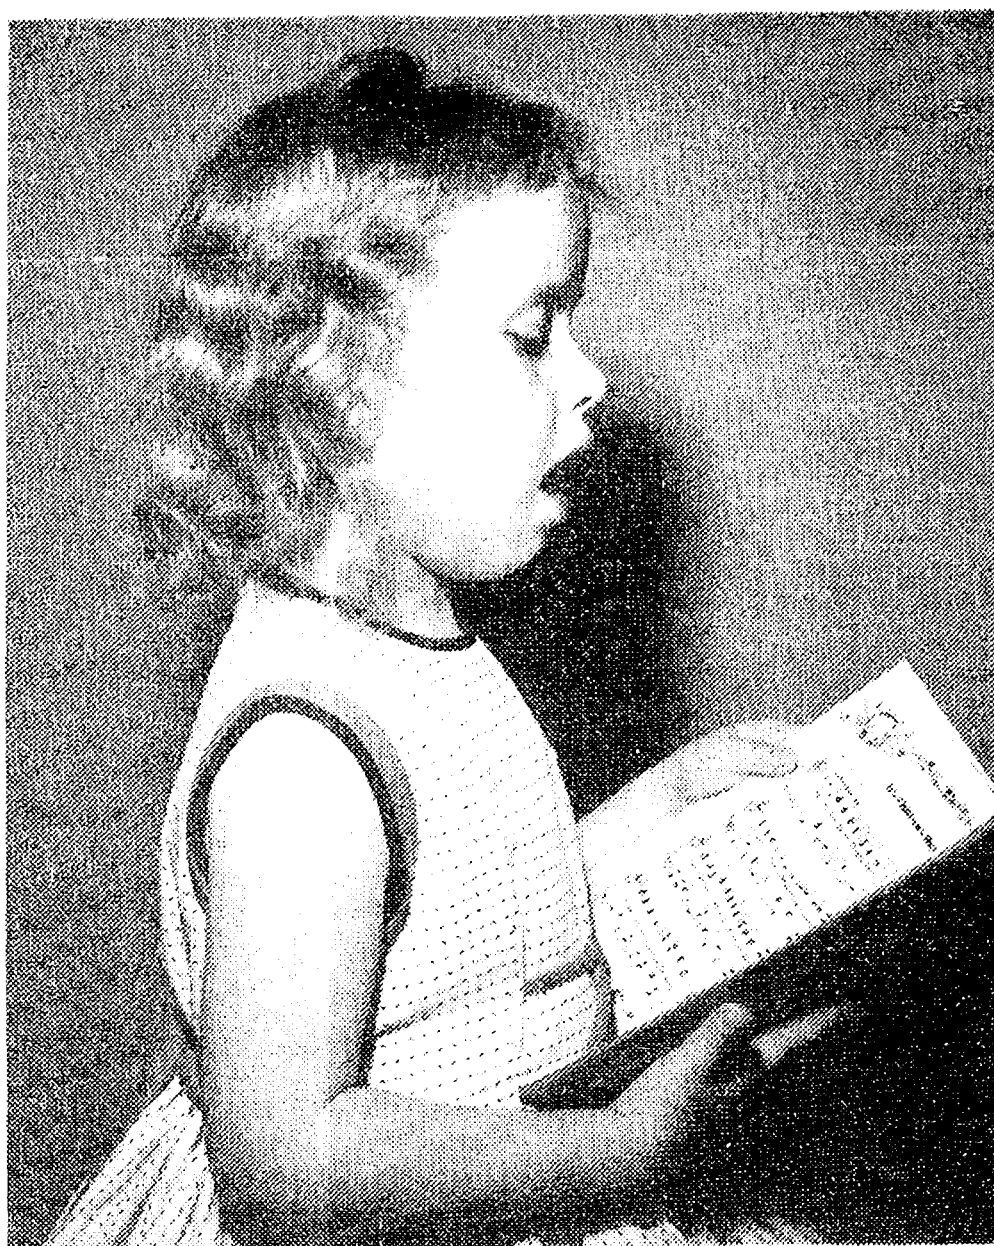

By Staff

Hey, you won't recognize the old place - 4 New Spruce Trees planted in front of the chamber building makes all the difference in the world in appearance. The trees are beautiful and are the gift of Norberta Sawyer. She told us that her late husband, Glenn, had some money stashed in a special account for something of a civic nature. Norberta drove by the new chamber building and though the landscaping needed something. She thought trees would make a big difference and she's right...they look like they belong. Larry Tuck of Gaylord Lawn Care & Maintenance did a great and careful job of transplanting the trees. Anyway, it looks beautiful! Thanks very much Norberta, the whole community thanks you. Glenn's memory shall be preserved.

While on the subject of changes, we find Moore's Automotive with an entirely new building and landscaping along the parking area. A great improvement! Other businesses that have been adding on to their facility or sprucing up is Grayling True Value Hardware, H & R Block, Initial Impressions, Golden Touch, Davis Jewelry, Pomeroy House, the A & W Rootbeer, McDonald's Drive Inn, City Hall, Grayling Country Club, Elias Brothers Big Boy, Flowers by Josie, Weaver's Gifts and Glen's lights in their parking area. If we've missed anyone, let us know and we'll mention it in our next column. We do want to make the community aware of the intent of these businesses to make Grayling a better place to shop and a community that we can be proud of...and we are! Terry Dickinson, our local artist, is doing much of the handwork around town and should be complimented on enhancing the business district.

The Winter Carnival Committee of the Grayling Chamber of Commerce will be taking you back to your youth and the 50's and 60's; Bobby Sox and saddle oxfords; pleated skirts for girls and jeans for the boys. The place is the new K of C Hall on Norway Street - big dance till 1:00 a.m. John Naour, Chairman, states that cash prizes will be given for the best dressed dancers depicting the era of the 50's and 60's. Admission is \$4.00 per person for the benefit of the Winter Carnival. The dance also offers a cash bar and food. It should be a very interesting evening - lots of fun - Hope you can make it.

Songs that do make a difference

Music has a strong influence on the emotions of man. Songs make us sad or happy, gay or sentimental, thoughtful or frivolous.

But there are songs that do even more... that make a difference in our lives... in what we shall become.

These are the hymns that men and women have cherished through centuries of faithful worship in cathedrals and village chapels. And among them are the lovely little songs of childish devotion that teach a youngster of Jesus' love.

Are your children learning the songs that make a difference? Is your family growing spiritually in the worship and associations your religion offers?

Local 4-H'ers To Attend Communication Workshop

4-H teens and adults from Crawford County will team up to learn more about themselves and others during the 4-H Peer-Plus and Group Dynamite workshop Nov. 30-Dec. 2 at Kettunen Center, the state's leadership training facility in Tuscon.

"The purpose of the workshop is to provide teens and adults, both those who are new and those who are experienced with Peer-Plus and/or Group Dynamite, with an opportunity to expand their communication and facilitation skills," says Ann Stephenson, Crawford County 4-H Program Assistant.

Peer-Plus is designed to increase a teen's interpersonal communication skills. The Group Dynamite program aims to improve a teen's leadership and group interaction skills.

Participants may choose from three sections:

Section A is for the individuals new to the program. It focuses on developing interpersonal and group skills. Workshop topics will include problem solving, decision making, value development, leadership and self-esteem.

Section B, for experi-

enced program members who wish to improve their facilitation skills, will discuss various facilitation styles and present practice exercises.

Section C is designed for individuals who have experienced Workshop B or who have had prior experience in group facilitation. They will explore personal qualities and focus on learning to develop and teach skills that will help 4-H'ers look at themselves and others objectively to improve understanding.

All three sessions will include films, discussions and recreational group objectives.

Reservations for the workshop are due Nov. 16.

The workshop is made possible by a grant from the Cummings Fund and Dart & Kraft Foundation of Glenview, Ill., through the Michigan 4-H Foundation.

For more information about this workshop or other 4-H activities, please contact Ann Stephenson at the Crawford County Cooperative Extension Service, or phone 348-2841 ext. 265.

Nursing Test at Kirtland

Kirtland Community College will be giving the National League for Nursing's Practical Nursing Test on November 16 and again on December 14, along with a math and english pre-test, for all persons interested in enrolling in the Practical Nursing program on campus.

Cost of the exams is \$18. Check-in time is 8:30 a.m. in room #1 of the Academic Building, with the testing beginning at 9 a.m. sharp. The test will take approximately six hours to complete and a lunch break will be given (the cafeteria will be open - lunch is on your own).

Phone in registration dates will be November 5-9 for the November 16th test, and December 3-7 for the December 14th test, with a 20 person limit in each session. For further information, contact Kirtland's Student Services Office at area code 517, 275-5121, ext. 251.

HYDRO-PULSE™

New HYDRO-PULSE™ unit can cut gas bills up to 35%.

The mind-boggling new Hydro-Pulse gas boiler simply uses gas more efficiently... up to 35% more efficiently.

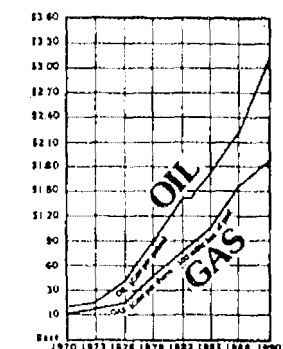

That means more of the gas burned is used to heat the home... and none is wasted up a chimney. As a matter of fact, the temperature of the combustion gases leaving the Hydro-Pulse unit is so low, no chimney is needed. A small diameter plastic pipe simply carries the exhaust outdoors. Almost all of the heat goes into warming the home.

If you're switching from oil or electric, savings can be at least 40% or more.

The rapidly rising cost of fuel oil and the high cost of electricity have made the Hydro-Pulse boiler a tremendous bargain. In many instances, your savings may pay for the entire cost of an installed Hydro-Pulse boiler in three years or less... when substituted for oil or electric heat. Yes, it's true. The Hydro-Pulse boiler is the most efficient gas or oil heating unit made today and it's available right now.

Fuel bills will keep rising.

Cost projections by expert industry analysts predict that fuel costs will continue to soar for oil and gas during the next 10 years. Now is the time to protect yourself with a system that heats for less.

A HYDRO-PULSE™ Unit will save you more dollars with each passing year.

As the cost of oil and gas continues to rise... and costs are expected to more than double within the next five years... the Hydro-Pulse boiler saves you more. For example, if your gas bill is \$800 a year now, you could save 30% or \$240 per year. In 1985, if your gas bill is \$1,600, you'll save the same 30%, but instead of the savings being \$240 per year, they'll be double, or \$480.

Look at these other features and benefits.

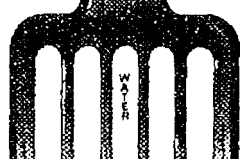

- No pilot light. That's a gas saver.
- No burners. There is no open flame.
- No chimney required. Exhaust gas temperatures are cool enough to exhaust through a plastic pipe.
- Reduces infiltration of outside air. Combustion air is drawn from outdoors, not heated air from within the home.
- Uses less gas. The Hydro-Pulse is over 90% seasonally efficient.
- 20-year limited warranty. Hydrotherm believes in the reliability of this great new energy-saving product.

Unique principles of operation.

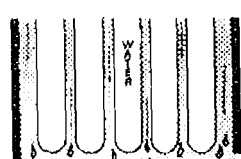

1. A mixture of gas and air is ignited in the combustion chamber, much like an internal combustion engine.

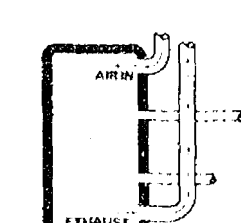

2. Hot gases from the combustion chamber are forced downward where they heat the water.

3. As the hot gases condense, they give off even more heat to the surrounding water.

4. The exhaust gases are so cool, no chimney is needed. They are simply exhausted to the outdoors through a small diameter plastic pipe.

Installed only by Certified Contractors.

At Hydrotherm's National Training Center in Northvale, New Jersey, and at field training centers throughout the nation, heating contractors have been Certified to install and service the Hydro-Pulse boiler. The Hydro-Pulse boiler cannot be installed by other than a Certified Contractor.
